

2013 Hong Kong International Wrist Arthroscopy Workshop 16-18 Nov2013

It's my great pleasure to announce that the 2013 Hong Kong International Wrist Arthroscopy Workshop and Seminar is scheduled to be held on 16-18 November 2013. We have invited a strong international faculty panel of over 25 overseas and local experts to conduct the course.

The design of the course framework is 4 folded :

- 1.Clinical workshop on management of chronic wrist pain, including hands-on skill training on wrist examination and clinical cases evaluation
- 2.Symposium on scaphoid fracture, nonunion and related wrist problems, with highlight on role of arthroscopy
- 3.Cadaveric workshop on wrist arthroscopy, divided into basic and advanced course
- 4.Additional cadaveric workshop on total wrist replacement & percutaneous scaphoid fixation

Course information and registration form can be downloaded at at <http://www.olc-cuhk.org/e/20131116registration.pdf>. You can also write to our program secretary, Ms. Natalie Chin natalie@ort.cuhk.edu.hk for enquiry. Hope you can encourage your younger colleagues to join us and help us to spread the news.

Many thanks,

Best regards

PC Ho
