

Dear Colleagues, Dear Friends,

The Belgian Hand Group is proud to announce its online Congress on **Saturday 10 October** on “*State of the Art of the Trapeziometacarpal Arthritis*” with *Pascal Ledoux* as guest of honour. Others several high-profile speakers from Belgium and abroad have been invited to share their knowledge and experience on this topic.

The topics of the Congress are:

- Anatomy Imagery Biomechanics
- Results Complications
- TMC arthritis in young people
- Pantrapezial arthritis

**Not available on Saturday 10?** No worry, the congress will remain available online for 1 year for all participants that registered online.

Info & Registration on <https://belgianhandgroup.be/congress/>

We are looking forward to meeting you online,

Best regards,

**Anne Lejeune**

*Belgian Hand Group President*
